## Ninja Woodfire OG850EU Smart Cook SystemXL Electric BBQ Grill

It's Bigger. More precise. Same authentic smoky flavor. More than just a grill, the Ninja Woodfire Pro XL Electric BBQ Grill & Smoker cooks even more of your favorite dishes - with a built-in thermometer to eliminate guesswork. Powered by electricity, it's hassle-free, quick to heat up, and flavored by 100% natural Woodfire pellets for authentic smoky taste. All the flavor without the hassle of gas or charcoal.

**LARGE GRILL CAPACITY** Enjoy the searing and authentic charred finish of a traditional barbecue, with the ease of electric power - now with 30% more cooking capacity\* and an integrated thermometer for perfect results every time. The large 45 cm x 31 cm grill plate fits up to 10 burgers, 40 hotdogs, 2 full racks of ribs, up to 6 steaks, or two 3 kg chickens. The air fryer basket can air fry up to 1.8 kg of food.

**PERFECT RESULT EVERY TIME** The built-in thermometer gives you perfectly cooked meat and fish every time - so you can cook with confidence. Simply insert the digital probe into your food, choose from the pre-set food types, and select your perfect finish from rare to well done. Ninja's Smart Cook System continuously monitors your food's temperature and lets you know when it's ready to remove - so you can relax and enjoy the BBQ without stress.
