## NINJA AIRFRYER AF180 MAX PRO 6.2L

Ninja Airfryer MAX PRO is the ultimate solution for healthier frying and increased capacity\*. Its compact design efficiently utilizes your kitchen counter space and can accommodate up to 4 chicken breasts in its larger 6.2-liter drawer.

**WITH THE ADJUSTABLE CRISPER PLATE**, you can cook food in two different ways, allowing you to achieve the perfect crispiness.

Fast and efficient, this Ninja airfryer cooks with up to 60% less energy than an oven\*\*, helping you save money on your energy bills without compromising on homemade meals.

**COOKING UP TO 50% FASTER** than a conventional oven\*\*\* means you can have quick, delicious, and healthy meals on the table in just minutes. Whether you're cooking for your family, on a budget, making health-conscious choices, or setting up your first home, this Ninja airfryer makes it easy to prepare delicious food while saving you time, energy, and effort.

**WITH 6 DIFFERENT COOKING METHODS**, including Air Fry, Max Crisp, Roast, Bake, Reheat, and Dehydrate, you can easily make everything from crispy fries to moist cakes. A included recipe guide helps you explore different dishes and techniques, while the removable parts make cleaning a breeze.

\*vs AF160.

\*\*Testing and calculations based on recommended cooking time for sausages using the airfryer function compared to conventional ovens.

\*\*\*Tested against fish fillets and sausages.
