

## Coravin® Timeless Six+

The Timeless Six+ takes elegance to the next level. Choose from a variety of sophisticated colours, all with high-gloss finishes, metallic accents, and premium accessories. Simply insert, tip, and pour as much wine as you and your guests desire, then save the rest of the bottle for weeks, months, or even years.

The Timeless Six+ pack-out includes the Timeless Six System, 3 Coravin Pure™ Capsules, 6 Coravin Screw Caps, 1 Timeless Aerator, and 1 Carry Case.

### Never Remove the Cork

Patented technology ensures you can enjoy a glass of wine and preserve what is left in the bottle.

### Aerate as you Pour

Enjoy a more flavourful, aromatic wine in seconds. Constructed from premium materials and featuring stainless steel accents, the Timeless Aerator attachment features 30 carefully sized and placed holes to maximise wines' contact with air. The result is a smoother glass of wine, equivalent to decanting for 60-90 minutes.

### Preserve your Favourite Screw Cap Wines

Next to using the Timeless 6+ for all your wines with a natural cork, the Coravin® Screw Cap allows you to also pour from screw cap bottles. Using a specially designed self-sealing elastomer, each Coravin® Screw Cap can be used for up to 50 insertions, allowing wine lovers to pour and preserve their favourite screw top wines for up to three months.

### Timeless Six+ Comes in Three Sleek Colours:

### Aerator Attachment

Pouring with the Coravin Timeless Aerator, included with the Timeless Three+, delivers a more flavourful, aromatic wine in seconds, equivalent to decanting for 60–90 minutes.

### Easy On/Off with SmartClamps™

The SmartClamps™ automatically adjust to the bottle neck, ensuring a solid fit. To remove, simply pull straight up and off the bottle.
